Dear Competitors-

The Fishers Island Yacht Club and the Fishers Island One Design Fleet are looking forward to seeing all of you on Fishers Island for the 2017 IOD North American Invitational Championship. The extreme weather seems to be cooperating and I am hopeful that that will continue through the weekend.

I have a few housekeeping items for you before you make your way to the island:

Registration will be held at the [FIYC](#) Thursday afternoon until 1800 for those of you coming over on the 3:30 boat, and at [Pequot](#) Inn after that for those on the 6:15 boat. Registration will also be open Friday morning from 0730 until 0830 at the FIYC.

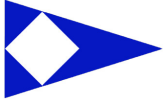

The Fishers Island Ferry schedule and reservations can be found at [www.fiferry.com](http://www.fiferry.com). I strongly recommend that you make a reservation for Sunday's return. Those boats can fill up fast. Our last race cannot start after 1400 on Sunday, so the 5:15 boat should work. The next boat after that is at 7:00. Please check the schedule yourselves to make sure that read it correctly.

Services on the island are relatively few and far between and the grocery store hours still remain a complete mystery to me. Because of that we plan to provide all of your meals while you are with us, except for Thursday dinner which we hope you choose to have at the Pequot, Fishers' celebrated inn, and Sunday dinner (if you stay that late). The final social schedule will be available at registration.

I have attached a lunch form with this letter. Please try and fill out both days, but we would really appreciate it if you can return Friday's order before you arrive on Thursday.

Safe travels to all of you. I am looking forward to seeing all of you On Thursday.
