i. Fleet size is determined as the number of boats that have finished at least four races in the Fleet's Qualifying Series.

ii. In the event that two or more Fleets report the same number of boats finishing at least four races in the Fleets' Qualifying Series, the tie will be broken in favor of the fleet that has the most boats finishing five races in their respective Fleets' Qualifying Series. If still tied, finishing six races…, finishing seven…, eight..., nine…, ten…, etc., until the tie is broken.

iii. If the preceding methodology is not conclusive, the tie shall be broken in favor of the Fleet whose Representative beat the other Fleet's Representative at the most recent Class Championship. (For the purpose of this tiebreaker, the first of these from a fleet shall be used: Defending Champion, First Representative, Special Invitation recipient).
